*** * * STATE CHAMBER/AIA PRIORITY BILLS – CALL TO ACTION * * ***

CIVIL JUSTICE REFORM

SJR 8 by Sen. Missy Irvin, R-Mountain View, 14 additional senators and Rep. Bob Ballinger, R-Hindsville, and 52 additional representatives is expected to be considered in the Senate State Agencies Committee this morning. The Committee will also meet this afternoon.

This Joint Resolution seeks to give Arkansas voters the chance to improve the state's civil-justice system, help economic development, and keep skilled professionals in the state.

Currently, Arkansas's legal system allows for unlimited judgments against businesses. This allows lawyers to pressure businesses into large settlements, regardless of a lawsuit's merit, to avoid the potential of a limitless jury verdict. The lawyers then keep large portions of those settlements for themselves.

“If approved by voters, **SJR8** will help businesses throughout Arkansas while still protecting the right to a jury trial for anyone harmed by a company,” said Randy Zook, President of the Arkansas State Chamber of Commerce. “Tort reform is not an issue about one or two business sectors, but rather one that impacts Arkansas businesses of all sizes.”

The language of **SJR8** would cap some categories of damages in civil cases, making Arkansas more competitive with surrounding states that have already enacted tort reform. It would also limit the portion of judgments or settlements that lawyers get to keep for themselves, ensuring that Arkansans who bring lawsuits keep a greater portion of resulting damages.

Thanks to all who joined the letter to the General Assembly asking for their support of **SJR 8**; it was co-signed by 57 businesses, business associations, other associations and individuals. It will be presented in committee today, as well as to members of the General Assembly. You can view the letter by clicking [here](#).

We will continue to add names to the letter for another delivery later in the session. If you would like to join this letter, please email Holly Wilson at hwilson@arkansasstatechamber.com

We urge everyone to contact your legislators and ask them to vote FOR SJR 8 or thank them for their support!

EMPLOYER PROTECTIONS

HB1126 by Rep. Charlie Collins, R-Fayetteville, has been adopted as part of our priority bill package, because we were developing a similar bill when it was filed. It is on this afternoon's Senate Calendar.

This bill seeks to improve employers' standing in civil suits with employees by:

- a) amending the definition of employer to clarify that a natural person acting as a supervisor is not an employer,
- b) amending the hate crime section to eliminate claims arising out of employment relationship, and
- c) creating a one-year limitation period for discrimination, retaliation and interference claims.

Please ask your Senator to vote FOR HB 1126!

UNEMPLOYMENT INSURANCE

HB 1405 by Rep. Robin Lundstrum, R-Elm Springs, and Sen. Jim Hendren, R-Gravette, seeks to lower the unemployment insurance taxes paid by employers by reducing the wage base from \$12,000 to \$10,000. It also makes changes in the weeks of coverage and a base measure in calculating benefits. This is one of our priority bills!

It will be run in the House Public Health, Welfare and Labor Committee soon.

Please ask your legislators to vote FOR HB 1405!

EMPLOYER CLARITY REGARDING MARIJUANA

HB 1460 by Rep. Carlton Wing, R-North Little Rock, and Sen. Missy Irvin, R-Mountain View, is a bill developed for us by a group of lawyers from about a half dozen employment law firms. Our Unemployment Insurance/Human Resource Committee thought it was important to provide clarity for employers following the adoption of the Medical Marijuana Amendment and to provide protection for employees from impaired co-workers.

This bill has been assigned to the House Rules Committee and is expected to be presented Wednesday.

This bill seeks to create new definitions or modify existing definitions for employers in matters related to the use of marijuana. These definitions include:

- Employer
- Under the Influence
- Current use of marijuana
- Good faith belief
- Safety-sensitive position
- Clarify that a “written certification” for marijuana is not a medical prescription

Please ask your State Representative to vote FOR HB 1460!

STUDENT READING

SB 328 by Sen. Alan Clark, R-Lonsdale, would require the State Board of Education to test applicants for first-time teacher licensure for elementary education K-6 and for special education K-12, in subject matter content, pedagogy, and knowledge of beginning reading instruction.

We **support** this bill and have added it to our Priority list because it meets our desire to improve student reading, particularly to promote the standard that every student should be able to read by the end of the third grade.

COMING UP AT THE CAPITOL

COLLECTING SALES TAXES FROM REMOTE SELLERS

SB 140 by Sen. Jake Files, R-Fort Smith, and Rep. Dan Douglas, R-Bentonville, would require certain high-volume merchants that sell products in Arkansas, but do not have a physical presence in Arkansas, to remit sales taxes to Arkansas. This bill could be considered in the House Revenue and Taxation Committee this morning.

HB 1388 by Rep. Dan Douglas, R-Bentonville, and Sen. Jake Files, R-Fort Smith, would require out-of-state sellers to provide notice to Arkansas purchasers that taxes are owed, provide information regarding purchases and apply fines for failure to implement the requirements of this bill. It could be considered in the Senate Revenue and Taxation Committee tomorrow.

We **support** these bills that seek to equalize the sales tax playing field between in-state brick and mortar sellers and out-of-state sellers.

CONSTITUTIONAL AMENDMENTS

This morning the Senate State Agencies Committee will continue consideration of the Senate Joint Resolutions that they started last week. A vote could be taken after all the SJR's have been presented. **SJR 8**, discussed above, is our priority.

The House State Agencies Committee will begin consideration of the 20 House Joint Resolutions tomorrow.

SB 284 by Sen. Bart Hester, R-Cave Springs, Sen. Linda Chesterfield, D-Little Rock and Rep. Jon Eubanks, R-Paris, would permit grocery stores to sell wine for off-premises consumption. It will be considered by the Senate State Agencies Committee. We support this bill on behalf of our member grocers and retail merchants.

EMINENT DOMAIN

HB 1444, by Rep. Bob Ballinger, R-Hindsville; this 82-page bill seeks to make changes to the state's eminent domain procedures. Specifically, it would:

- Require an entity exercising eminent domain to condemn private property to file a complaint for condemnation of the property in the circuit court of the county in which the private property is located.
- Establish requirements for the complaint of condemnation.
- Require an entity exercising eminent domain to deposit with the circuit clerk the amount of money estimated by the entity to be just compensation for the private property to be condemned.
- Require the circuit court to enter an order with the circuit clerk that evidences the right of the entity to the title to the property within five business days after the title vests.
- Provide that neither this subsection nor the Rules of Civil Procedure limits the right of an entity to immediately receive vested title upon the deposit of the estimated amount of just compensation or an order evidencing the entity's right to the title.
- Establish a circuit court's duties in processing a complaint of condemnation.
- Revises code sections concerning eminent domain to reflect this section.

This bill has been assigned to the House Judiciary Committee and may be considered today.

We encourage all businesses with an interest in eminent domain to look at this bill and let us know your thoughts. We have received some information about concerns and opposition.

ARKANSAS HISTORIC REHABILITATION CREDIT

SB 253 by Sen. Bill Sample, R-Hot Springs, and Rep. Joe Jett, R-Success was approved by the Senate yesterday by a vote of 33 to 1. It has been assigned to the House Revenue and Taxation Committee, which meets today.

This bill seeks to increase the per-project cap for income-producing properties from \$125,000 in credits to \$400,000 in credits under the existing Arkansas Historic Rehabilitation Income Tax Credit Act for projects that start on or after July 1, 2017. The bill does not increase the current annual aggregate cap of \$4 million in credits. We support this bill.

BUSINESS EDUCATION

HB 1442, by Rep. Andy Davis, R-Little Rock, seeks to amend the personal finance curriculum standard to include job seeking skills, soft job skills and employment benefits. It also would require high school students to earn a course credit under this curriculum for graduation. We support this bill.
