THIS WEEK AT THE CAPITOL

GOVERNMENT TRANSFORMATION

HB 1070 by Rep. Andy Davis and Sen. Bart Hester would create the Transformation and Efficiencies Act of 2019, to establish 14 cabinet-level departments led by an executive head named the secretary. It also establishes the powers and duties of a cabinet-level department.

HB 1070 is one of nine bills filed so far to address the Governor's plan to reorganize state government. It will be presented as a Special Order of Business in the Senate State Agencies Committee, which meets at 10 a.m. in the Old Supreme Court Room. The meeting is for discussion purposes only. We expect more bills to be filed.

It is our understanding, and similar information was reported in yesterday's *Arkansas Democrat-Gazette*, that the plan for the transformation bills is to file them separately, let them sit for about a week, then refile all the bill's language into one big omnibus bill. All seven bills are on Wednesday's agenda in the House State Agencies Committee.

BILL FILING DEADLINE ELIMINATED

SCR 1 contains the language for the House and Senate's Joint Rules for the 92nd General Assembly. This Resolution includes the provision to strike the bill filing deadline. **SCR 1** has been given a Do Pass recommendation by the Senate Rules Committee and is on tomorrow's Senate Calendar.

MEDICAL MARIJUANA

HB 1150 by Rep. Doug House is on tomorrow's House Calendar to adopt an amendment adding Sen. Bob Ballinger as a sponsor. This bill seeks to expand the list of qualifying medical conditions to use medical marijuana.

BILLS WE ARE WORKING ON

MINIMUM WAGE

SB 115, by Sen. Bob Ballinger and Rep. Frances Cavanaugh, would create an exemption to the Minimum Wage Act for employers with fewer than 50 employees, employers that are schools or institutions of higher education and 501(c)(3) nonprofits.

We have a group of members and attorneys working on this issue. We are in contact with the sponsors of **SB 115** and other legislators about this issue and have a working group of lawyers and business interests looking for options.

We have concerns about how the minimum wage increase will impact workers, small businesses and our economy. Our President & CEO, Randy Zook, published an article in *Arkansas Money & Politics* earlier this month titled ***The False Promise of Minimum Wage***. Here's a link to the article on our website: <https://www.arkansasstatechamber.com/news-publications/news-releases/the-false-promise-of-minimum-wage/>

COVENANTS NOT TO COMPETE

HB 1068, by Rep. Brian Evans and Sen. Ricky Hill, seeks to repeal the ability to enforce covenant not to compete agreements. Uncodified language says the repeal does not affect the ability of an employer to protect trade secrets under the Trade Secrets Act.

We have been in contact with the sponsors and will be meeting with them this week. Repealing the existing statute on these covenants will not eliminate their use. Instead, legal control would return to common law. We believe modifications to the existing statute is the best approach and will work with human resource attorneys and the sponsors to develop an amendment to the bill.
